Professional experience

Jenny graduated in 1991 from the University College of Ripon and York, St John and worked with in-patient orthopedics, elderly rehabilitation and the community learning disabilities team at the Harrogate NHS trust. She then moved to the Brain Injury Rehabilitation Trust at Daniel Yorath House where she was involved in the development of the OT role within this new specialist rehabilitation unit. She has a wealth of experience within the field of rehabilitation for people with neurological conditions as both an Occupational Therapist and a Specialist ABI Case Manager. Jenny is a highly experienced clinician with great passion for the field in which she works. Jenny is an active Committee member of the Darlington and District Headway branch. She has provided training on ABI and on the Mental Capacity Act and she has participated in the training of students. She has presented at the National OT conference on safe working and risk assessment in a forensic setting and was on a question panel regarding accessing funds from statutory services at the CMSUK national conference. In 2017 Jenny ran a pilot project to provide OT interventions for members of Darlington and District Headway.

She has experience in the following:

- Providing Case Management and OT to clients with ABI and other complex conditions such as orthopaedic injuries, amputations and complex regional pain syndrome.
 - Assessment Skills & Techniques
 - Family and carer support
 - Needs Centred Assessment Formulations, Goal setting and reviewing
 - Planning and implementation of rehabilitation & support packages involving interagency liaison & working
 - Report writing & funding applications
 - Working with Direct Payments
 - Developing trust that facilitates open communication
 - Attending court as Case Manager Witness for client's settlement trial.
 - Participation in Clinical Governance meetings and projects
 - Induction, supervision and support of clinical staff and support workers.
-
